I am particularly depressed, because we will soon be unable to get along like now. I cherish this classroom time very much. I would like to say to you: after my breakdown before the Qingming Festival last time, I feel that you have become particularly cautious about my writing comments. I hope you don't have any concerns. My breakdown is not because I need to be rewritten, but because I don't want my homework to affect my mom's vacation. I want to say you are the best teacher I have ever see	1	4.55%
